

Hereby T-ISS confirms that all the Seamate Ve-1 HRU's have USCG approval issued by DNV in accordance with the US - EC/EEA EFTA MRA under approval number:

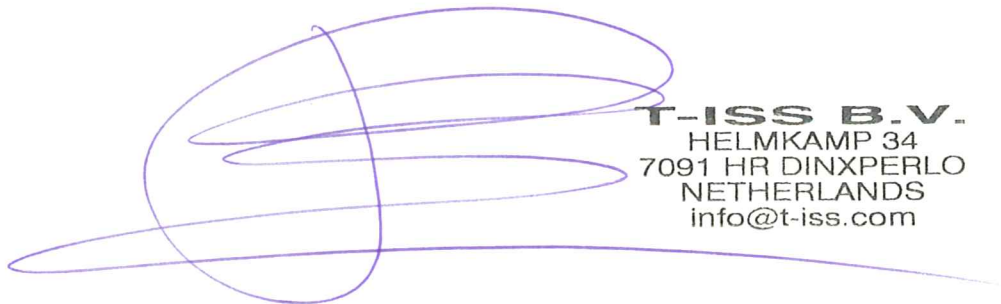

160.162 / EC0575 / 8304

This statement is made in consultation with the USCG.

This document applies to Wheelmarked Seamate Ve-1 HRU's without the USCG approval number marked on them.

All future production of the Seamate Ve-1 HRU will have a USCG approval number engraved.

August 2014
