Barrier Tape

T-ISS

Revision 12-6-2019

Product description

Barrier tape can be used for depositing, marking prohibited or dangerous places. The red/white or black/yellow barrier tape is popular because of the striking hazard colors.

Pictures

Dimensions

Barrier tape is available in the following versions:

- Barrier tape Red / White - 70 mm x 500 m
- Barrier tape Yellow / Black - 70 mm x 500 m

Applications & Use

Barrier tape comes in a convenient dispenser box which allows you to obtain the tape length you need, rip off that part, and store the dispenser box in a suitable place.
