

LIFEJACKET STORAGE BOX

T-ISS

Product description

The Lifejacket Storage Box can be purchased on its own or as part of a complete safety equipment kit. This high-quality, durable storage box is designed to withstand harsh weather conditions and demanding marine environments, making it ideal for long-term outdoor use.

The box provides secure and organized storage for lifejackets and other essential safety equipment, ensuring quick accessibility when needed. Its robust construction and weather-resistant design make it a reliable solution for vessels, offshore platforms, ports, and industrial environments.
