#### Dimensions

Technical details

Weight/Length :

Throwing Unit:	8,0kg /165cm
Projectile:	1,7kg /120cm
Total Unit:	10,4kg /175cm

Shooting Chamber Pressure:

65 bar

Average Nozzle Velocity :

50,6m/s

Maximum Recoil :

5400N

Minimum Shots :

4 projectiles

Air Cylinder Pressure :

300 bar

Volume :

2 Liters

Packaging Size :

127 x 25 x 20

Total Unit Weight:

20 Kg

#### Certificates & Standards

This product has been tested and proved to be qualified for delivery in conformity with the applicable standards by.

- DNV No. MEDB0000AT9
- USCG No. 160.040
- Wheelmark 0098/2026
- UK no. MERB0001NCY
- HS code: 84248900.0000
- Designed in The Netherlands
- Origin: PRC

#### Specifications

Complete set consists of:

- 1 LineShooter PLS 300 in bag
- 4 Projectiles for PLS 300
- 1 Launcher
- 1 User Manual

Spare Parts & Additional

- Heavy Duty Pedestal
- Training Rockets
- Composite Cylinder
- Training Instruction by Engineer
